

Pain Relief That Travels With You

\$1,995

UP TO 18 HOURS
BATTERY LIFE

TQ Solo[®]

TQ Solo is an FDA cleared compact, portable pain-relieving device. Device with the power to relieve both chronic and acute pain in the field in just minutes.

The TQ Solo is the only handheld portable device with exclusive Multi Radiance Technology™. Multi Radiance Technology™ synergistically incorporates 4 proven radiances, providing the ultimate phototherapy environment for relieving pain: **Super Pulsed Laser, Infrared Light, Red Light, and Static Magnetic Field.**

Administering effective light therapy with TQ Solo is simple and effective.

TQ Solo is lightweight. The rechargeable lithium battery lasts for up to 18 hours so pain relief is always there, when you need it!

Specifications

Laser Peak Power	15W (15,000mW)
Infrared LEDs	60mW
Red LEDs	7,5mW

Wavelength

Laser	905nm
Infrared	875nm
Red	660nm

Class II Equipment. Applied Part Type BF

Laser Class	1M (IEC 60825-1)
Weight	0.7lbs. / 300g
Dimensions	5.5" x 2" x 2" (14cm x 5cm x 5cm)
